A number of golf enthusiasts improved yesterday's warm weather by unshackling their clubs and limbering up their muscles at the Barre Golf club links.

The Bijou theatre had record houses all day yesterday. To-day they offer a good show in the way of three exceptionally fine pictures and a human interest song: "Perette's Talisman" is the title of the feature picture. It is one of those deeply romantic dramas, where the scenes are in ancient courtly times and the beautiful costumes to match. It is a difficult picture to describe briefly, but it is certainly one that should be widely seen. It is another of those high-priced films, costing away up in the hundreds of dollars.

Improvements at Castleton.

The town of Castleton has taken a decided step forward in educational matters, and has thoroughly repaired and equipped with modern up-to-date plumbing, heating and ventilating apparatus, the training department of the state normal school, which is operated in connection with the town graded school. The citizens have shown a decided interest in doing this work well and thoroughly, and it is giving them most satisfactory results. The plans for this work and additions and changes were worked out by Architect C. H. Crandall of Burlington. The addition to the building consists of two commodious class rooms abundantly lighted. The original graded school building, which contains four large class rooms, has been most thoroughly remodeled. The steam heating and ventilating apparatus is up-to-date in all respects, and the plumbing system is as complete as modern practice can make it. The basement which contains the heating and plumbing appliances, has also large rooms abundantly lighted and ventilated which are being used for girls' and boys' recreation and lunch rooms. There are also provided rooms for future educational use. This work has been accomplished at an expense of about \$8,000 and shows a desire on the part of the town of Castleton to do everything in its power to foster the work being done for the state by the normal school.

Card of Thanks.

We wish to thank the neighbors and friends for their kindness during the sickness and death of our precious boy and brother, and for the beautiful floral offerings.
